COMMISSIONERS' REPORT.

TO THE CITIZENS OF STRAFFORD COUNTY:—

In accordance with the requirements of the Public Statutes of the State of New Hampshire, the Commissioners of Strafford County herewith submit the report of their business transactions for the year ending December 31, 1909, together with the reports of the several other county officials.

In presenting to the tax payers of Strafford County the report of our transactions for the first nine months of our term, we feel that a brief statement of the conditions which confronted us April 1, 1909, is due us.

In selecting a Superintendent for the Farm, we sought a man well qualified, one competent to fill the position under the uncommon circumstances which existed. We laid aside party lines and appointed Edward A. Willand, who, in our judgment, was well fitted for the position, and who also could bring with him one of the best matrons in the state.

At the Court House we followed the same plan, retaining the veteran janitor, Thomas Tolmay, who, we believed, would be most satisfactory to all doing business there.

As soon as the oath was administered, we repaired immediately to the farm. We found our new superintendent and matron with three assistants only, the jailer, the engineer, and one cook to care for the prisoners and inmates. All five set to work most willingly and heartily to perform not only their own tasks, but, in so far as they could, those of all other employees whose places had been left vacant. We had very little information in regard to prisoners, inmates, and all former employees, as such books as would have furnished information could not be found.

It will be noticeable that there has been a falling off from the sales of the products of the farm, which is due largely to the fact that the retiring administration had sold from the herd of cows several of the best producers, leaving among the herd as we found it, many cows that had not been bred for a period of from two to four years. The entire herd was not producing milk enough to supply the needs of the Farm, and we, accordingly, found ourselves in a position where we were obliged to purchase milch cows at once. We immediately bought hogs and pigs also, as only a very few had been left at the Farm. Since that time, however, under the management of our veteran superintendent and herdsman, Mr. Willand, the stock has been greatly improved, and now as we approach spring we find ourselves in a fair position to begin business anew.

You were told in the report of 1908 that no extra repairs seemed necessary for the coming two years. Although having no appropriation for extra outlay, we found all the steam pipes over the boilers, and the return pipes as well, leaking so badly that tubs were being used to catch the water. To have this repaired it was necessary to dig up a considerable portion of the Kiolithic floor under the women's wing. This entailed a cost of nearly \$1000, but it has resulted in a great saving of fuel and we now have direct steam to the jail, which we did not have before.

Every outside door in the institution opened inward, even that in the house of correction just completed. To comply with a law passed twenty-five years ago, these doors have all been changed. In some instances new doors were necessary. This cost nearly \$300.

The tower of the wind-mill has been repaired, which, with the addition of a new mill and pump is now doing good work. The pipe from the windmill to the tank was gone and this had to be relaid.

The floor in the piggery was in such condition that new timbers and plank were necessary.

The springs from which the water for household purposes is obtained required immediate attention and considerable repairs, and new fences built, making a much needed improvement. The Snell barn has had to be newly timbered besides having other minor repairs.

FINANCES OF THE COUNTY.

The net debt Dec. 31, 1908, as shown by the treasurer's report, was \$9,608.39. Dec. 31, 1909, shows a surplus of \$10,928.84, making a net saving of \$20,537.33.

In conclusion we take this opportunity to extend our thanks to all our citizens who have shown an interest in the institution at Cocheco. We extend a cordial invitation to all taxpayers to visit the farm, which is their property, that they may have a better understanding of

how the inmates are cared for and how their money is being expended.

Respectfully submitted,

Report of Superintendent of Strafford County Farm and House of Correction.

DOVER, N. H., JAN. 1, 1910.

TO THE BOARD OF COUNTY COMMISSIONERS:—

I hereby submit my report for the year ending Dec. 31, 1909.

We are indebted to you, for needed repairs upon our steam plant and for the purchase of a new windmill which has resulted in a great saving of expense. I wish to acknowledge publicly the faithful assistance of our Chaplain Rev. Mr. Cummings whose visits are a source of pleasure to our people and of the County Physician, Dr. John E. Sweeney who has willingly and cheerfully responded to every call. My corps of assistants at the farm have labored unitedly and well and to them I express my grateful appreciation. It gives me great pleasure to tender my personal thanks to the Whatsoever Club of Dover who unostentatiously and in the true spirit of Christian giving remembered our inmates with fruit and very useful and acceptable gifts. It was indeed a very happy Christmas for all.

In closing permit me, gentlemen, to extend to you my hearty thanks for many helpful suggestions and your kindly assistance at all times.

Respectfully submitted,

EDWARD A. WILLAND.

DR. J. L. SWEENEY.

TO THE COMMISSIONERS OF STRAFFORD COUNTY:

GENTLEMEN :—I respectfully submit the following report of the County Jail for 1909. Nothing beyond the usual sickness and diseases found in such an institution has occurred. No deaths. No epidemics. Everything has been done for the welfare of the inmates.

J. D. O'DOHERTY, M. D.

REPORT OF CHAPLAIN.

TO THE BOARD OF COMMISSIONERS AND CITIZENS OF
STRAFORD COUNTY, YOUR CHAPLAIN WOULD SUB-
MIT THE FOLLOWING REPORT:—

Appointed to the position the last of April, I entered at once on my duties.

I have visited the Farm nearly every Sunday when it was suitable, except vacation time. I have spent from an hour, to one and a half hours with the inmates each visit, holding service in the chapel and visiting and comforting the sick.

No one who has not attended the service, or been with me on my rounds among the sick, can appreciate the joy and comfort such visits have given to those in the institution, nor the large number to whom these visits are most welcome.

The cordiality of the Commissioners, the Superintendent and his wife, Mr. and Mrs. Willand, together with the helpfulness of their daughter and the assistants, in the line of furnishing music, as well as those who have so kindly accompanied me on my visits, has made my duties pleasant and added much to their helpfulness and interest.

Respectfully submitted,

EDWARD W. CUMMINGS, Chaplain.
